To Whomsoever It May Concern

Dear Sir,

Subject: Authorized Panel Builder

This is to certify M/s **Habbal Alarabi Factory – HEMCO KSA** are authorized to use Low Voltage Switchgear & Controlgear Products manufactured and marketed by Electrical Standard Products division of Larsen & Toubro Limited in their switchboard.

L&T's LV Switchgear products such as ACB, MCCB, RCCB, Isolators, and Contactors are designed as per relevant IEC standards and certified by ASTA/KEMA /Dekra/ERDA/CPRI authorities. L&T's range of LV switchgear products are approved by various utilities across GCC and these products and systems are being used and installed across GCC countries.

L&T has provided appropriate documentation to Habbal Alarabi Factory – HEMCO KSA personnel for correct selection of products, for usage in the switchboards.

L&T's Electrical Standard products are covered by L&T's standard warranty when purchased from an authorized source. M/s Habbal Alarabi Factory – HEMCO KSA is responsible for the design, assembly and quality of final switchboard system.

This authorization is valid for a period of 1 year and can be revalidated at the sole discretion of L&T.

For Larsen & Toubro Limited

(Parveen Goyal)
Sr. Dy. General Manager- (GCC Region)
